EARLY ARRIVALS

Any bookings with start times earlier than 7:00am will incur an early arrivals additional fee of \$50 per hour per artist booked. This fee has become necessary due to overwhelming number of early ceremonies incurred in recent years and large party's with short getting ready timelines and the hectic bridal season schedule our artists incur. We thank you for understanding.

PARKING EXPENSES

Parking expenses are not included and are additional when applicable. If multiple artists are required you are responsible for each vehicle's parking expense. We will always do our best to park in the cheapest lot available when possible.

DEPOSIT / RETAINER

A minimum \$50 non-refundable retainer fee is paid to secure wedding day booking. This is paid at the time of booking and is subtracted from the bride's total on the wedding day.

***All prices listed are subject to additional HST**

CANCELLATIONS

Cancellations **must be made 30 days prior** to your booking date.

You are responsible for payment of any services not cancelled within the 30-day time limit. Any services cancelled with more than 30 days notice the client **will not be liable** for payment.

*For example, if your bridesmaid cancels 1 week away from your wedding day you are still responsible for payment or to find a replacement. This is because our artists work by appointment and it is highly likely they will be able to book another client with less than 30 days notice.

OTHER INCLUSIONS

All makeup bookings include quality false eyelashes. Upgrade options available.

Includes on-location services all across the Greater Toronto Area.

Bookings with Lead Artist Jennifer Turner include full touch-up kits.

*Travel Fee's may apply when booking outside the GTA. Modern Makeup has makeup artists from all different areas of the GTA so we can typically book you with an artist within your area in order to avoid travel fees.
